

KNORR RECOMMENDED ROAST 2026

Knorr Professional's '**Recommended Roast**' program recognises venues that serve the tastiest roasts / carveries from all four corners of the Country. So, whether you work in a hotel or a pub, a restaurant or a café – if you serve a roast / carvery to the public at least 4 days a week, then we want to know about it.

Simply complete the online form to enter and include 2 photographs of your roast / carvery dish. If your submission makes our judges mouths water enough to visit your venue to try it for themselves and your roast impresses – you will become a Knorr Recommended Roast Venue.

Only the best outlets will be awarded a plaque.
Give your roast the recognition it deserves and enter today!
