EASTER ACTIVITIES

Easter is the perfect time of year to get everyone in your care home involved in some good old-fashioned crafting fun. Together with Hilary Woodhead, Executive Director of NAPA, we've curated some simple, engaging activities that will put a spring in anyone's step this Easter time. From making a colourful butterfly feeder to beautiful flower arrangements, all accompanied by mouthwatering recipes.

EASTER RECIPES

CHOCOLATE EASTER EGG CAKES

VANILLA BUTTERFLY CUPCAKES
with almond buttercream

BRAISED SPRING LAMB
with minted gravy

Hilary Woodhead
Executive Director, NAPA

It has been our pleasure to work with Unilever Food Solutions on this lovely Easter time project. The season of Spring is about rebirth and regeneration, and it is the perfect metaphor and reminder to try new things or to do things differently. We hope that the ideas in this Activity Kit will inspire catering, care and activity teams to try something new that will appeal to every person they support.

It is vital that we are mindful of how a persons needs might change overtime. We must recognise that their ability to contribute may also change. All these activities are intended to be inclusive, the people we support can contribute in a way that is appropriate to them.

We are once again thrilled to be working alongside NAPA to deliver some delicious recipes this Easter. To me, Easter has always been about revitalisation, the world is becoming greener, the weather getting warmer and people coming together.

Spring lambs are the inspiration for the first dish: a succulent braised lamb with creamy mash, buttered green vegetables and smooth mint gravy. The next two recipes are sweet – fun chocolate birds' nests and beautiful butterfly-winged vanilla cupcakes. Both sweet treats bring me waves of nostalgia, as I remember making these backs in my childhood. Both residents and staff can get involved in the making and decorating of these, creating fun for everyone!
